| District New Member Add Fee:      | \$30.00 |

International and District New Member Add Fees should be paid in one check and mailed to Kiwanis International – along with the Membership Information Form for the new Kiwanian.

Membership Information Forms may be found at

<http://www.pnwkiwanis.org/PNWKIResources/clubadmin.html> (District website) or at

<http://community.kiwanisone.org/media/p/104.aspx> (International website).

Please note that all figures are given in U.S. Dollars. We do not yet know what the Canadian Dollar Exchange Rate for 2008-2009 will be. Kiwanis International will determine that rate on October 1, 2008.

August 1, 2005

Dear Kiwanis Leader:

Please read this memo carefully as it contains information to help you understand how the annual dues billing process will work, how to report new members and former members, and how much your club will be charged for the new members.

**ANNUAL DUES BILLING TIMETABLE**

As approved at the 2004 International Convention, annual dues billing of clubs will begin with the dues billing for the 2005-06 administrative year. Each club in United States, Canadian, and Caribbean districts will receive a membership roster to update, followed by an annual dues invoice according to the schedule noted below. This schedule assigns each club to one of three groups according to the club's anniversary date. This anniversary date and specific dates listed below will help inform you how the club reports and pays for new members and dues.

| Group # | Club Anniversary Date      | Date Membership Roster Sent to Club | Annual Membership Cut-off Date | Date Roster Due to Kiwanis International | Payment Due Within 30 Days But No Later Than |
|---------|----------------------------|-------------------------------------|--------------------------------|--|--|
| 1       | September through December | September 1                         | September 30                   | October 10                               | December 31                                  |
| 2       | January through April      | December 1                          | December 31                    | January 10                               | March 31                                     |
| 3       | May through August         | February 1                          | February 28                    | March 10                                 | May 31                                       |

As noted in the table above, each club will have approximately 40 days to complete the roster and return it to Kiwanis International. It is very important to return your club's updated membership roster by the roster due date noted.

**NEW-MEMBER FEE UPDATE**

- Effective October 1, 2005, the new-member fee will officially change from US\$15 per new member to: Tier A, US\$50; Tier B, US\$25; Tier C, US\$15. All United States and Canada clubs are Tier A clubs.
- These new-member fees are for Kiwanis International only. Districts that have new-member fees will have a separate amount.
- **The date each new member is added to or deleted from a Kiwanis club, as entered in the Kiwanis membership database, will be determined by the date the new-member form or updated roster is received by Kiwanis International. Join or delete dates will not be backdated as has been previously done. This procedure will become effective immediately.**

If you have any questions related to the new-member fee process, or annual dues billing, please contact 1-800-KIWANIS, 317-549-2647 ext. 390, and you will be assisted. You may also e-mail [memberservices@kiwanis.org](mailto:memberservices@kiwanis.org) or [finance@kiwanis.org](mailto:finance@kiwanis.org).

We want to thank your club for the continuing support and dedicated service you provide on behalf of Kiwanis International.

*NOTE: Please share this important information with the current and incoming club officers, especially those individuals who will be handling the finances of the club this coming year.*

Yours in Kiwanis service,
