WEBINARS SCHEDULED TO TRAIN FOR 2007-2008 OFFICIAL MONTHLY REPORT

We recently asked Scott Smith, developer of the KiwanisOne Online Club Management System, if we could not find a way to provide training on the new KiwanisOne Online Monthly Reporting System – especially for those club secretaries who were not able to attend his training sessions that the District Convention in August.

Scott has agreed to hold a series of three (3) Webinars to help train club secretaries on the new system which went into effect on October 1st. (Note: first filing will be the October 2007 OMR due November 10, 2007.)

Each Webinar will cover the same material and will be 20 to 30 minutes in length. What's a Webinar some of you might ask? Basically, it is much like a phone teleconference call except that, in addition to making a phone call, one also logs in on a special website in order to be able to watch the demonstration of what the instructor is talking about on the phone!

Sessions will be held at the times listed below. Sign-up links are for the specific date and time.
