

Suggested Human and Spiritual Values Activities

Byron S. Wills, Ph.D.

March 9, 2011

The following are a few suggestions, to Clubs and members, as to how Human and Spiritual values may be incorporated into their meetings and activities.

1. Start a prayer chain for mission or ill Club members or family members/friends of members.
2. Have a short devotional, given by different members of your Club, using a devotional booklet such as the **Upper Room**. These are available at local churches or may be obtained by writing to Upper Room, PO Box 433108, Palm Coast, FL 32143-9834.
3. Invite a local minister/s to visit your Club and ask them to share a short devotional.
4. Invite a group of local ministers, or members of your local Ministerial Association – if you have one – to have a question/answer time during one of your Club meetings.
5. Have the Club send sympathy cards to members of the community who have lost loved ones or who are experiencing illness or personal challenges.
6. See about making contact with a local Hospital and exploring the possibility of calling on/visiting any sick children.

Please do not hesitate to contact me if you have suggestions and/or ideas for additional activities or would like to locate any particular resources or materials.

Sincerely,

Byron S. Wills, Ph.D.
